

please do not tamper with the current DO NOT CALL REGISTRY that we have in place in the state of NJ. I am a parent of 2 childrend and found it extremely distracting and frustrating that the number of solicitation calls grew and grew to the point where we did not even answer our phone in the evenings. We pay for our phones/phone lines. We should have a say in who is able to call us. These solicitors find ways around caller-id and make it impossible to tell that they are not legitimate family business attempting to get through.

PLEASE DO NOT TAMPER WITH CURRENT NJ DO NOT CALL LAWS.

thank you
